LETTER OF GRATITUDE AND APPRECIATION

Dear Dr. Goszczyński,

On behalf of Kuldīga Municipality I would like to express my deepest gratitude and appreciation for your great support to Kuldīga Municipality in our efforts to achieve inscription of *Kuldīga / Goldingen in Courland* on the UNESCO World Heritage list.

Kuldīga Municipality has been working hard to preserve the heritage values of the town of Kuldīga for more than 20 years. With help of the Latvian national institutions and international experts, Kuldīga Municipality has succeeded in preparing the nomination dossier of *Kuldīga / Goldingen in Courland*, and Latvia submitted the nomination to the UNESCO World Heritage Centre in January 2021.

Within the evaluation process of the nomination, the team that prepared the nomination dossier have been supplying responses to ICOMOS questions, including regarding expansion of the Comparative Analysis section of the nomination. Your support in providing the necessary photographs of the Polish city Kazimierz Dolny was of invaluable help to our expert team.

Once again, I would like to thank you sincerely for your support to Kuldīga Municipality!

Sincerely

Chairperson of Kuldīgas Municipal Council

Inga Bērziņa
